

# License, Tag and Permit Fees

Updated January 2013. The amounts listed include all permits and application fees as of January 1, 2013. Fees may change without notice. Licenses, permits, validations and tags expire **December 31**, except where noted.

## To Buy a License, Tag or Permit

- In person, go to any Idaho Fish and Game office or license vendor throughout the state.
- By credit card, within the United States call 1-800-554-8685. Outside the U.S., use the Internet or mail.
- On the Internet, go online to <http://fishandgame.idaho.gov>.
- Commercial licenses, duplicate tags, documents that require proof of disability, lifetime licenses, and bear baiting permits may be purchased only at Fish and Game offices.

When buying licenses by telephone, the buyer, on request, will be assigned a confirmation number that may be used in lieu of the actual license for 14 days from the date of issue. When this number is used, the person must carry their driver's license or identification card. A confirmation number may not be used in lieu of a tag. Purchasers must wait until tags or permits arrive.

The charge for processing phone-in applications is 3 percent of the transaction plus \$5.50; the charge for internet applications is 3 percent of the transaction plus \$3.50. Call 208-334-3700 for information.

Any license, tag or permit that is defaced or altered is invalid from the date and time of issue. It is unlawful to use or attempt to use any license that has been defaced or altered.

**Sale Dates:** Most licenses and tags go on sale December 1 of each year, but resident deer, elk and pronghorn tags are not available until after the controlled hunt drawings are done. All licenses are valid only for the calendar year for which they are issued.

## Hunter and Bowhunter Education

- To buy a hunting license, all hunters must show proof that they have completed a hunter education course if they were born on or after January 1, 1975, unless they have held a hunting license from Idaho or another state.
- To buy an archery permit, all bowhunters must possess a valid hunting license and show proof they have completed an approved bowhunter education course or show evidence of having been licensed for an archery-only hunt in Idaho or another state, or complete an affidavit to that effect.
- The Hunter Education Course includes 15-17 class hours plus a two-to four-hour range and live-fire exercise. The curriculum includes training in firearms safety, basic archery safety, hunting ethics, wildlife management, conservation, survival, regulations and a final written exam.
- The Bowhunter Education Course averages 12 class hours plus a field exercise. Subjects include bowhunting equipment, techniques, safety, shot placement, ethics, treestand safety, outdoor preparedness and the state final exam.
- Independent study courses include a workbook option and an internet-based course for hunter education and internet-based course for bowhunter education as alternatives to the traditional classroom courses for students 10 years or older. There is a small additional cost for the internet courses that is paid directly to the course provider. All independent study courses require the successful completion of an additional six- to seven-hour scheduled field day. Course and registration information can be found on the Hunter Education Program page of the Idaho Fish and Game website at [http://fishandgame.idaho.gov/cms/education/hunter\\_ed/](http://fishandgame.idaho.gov/cms/education/hunter_ed/) or obtained

from a regional Fish and Game office. Individuals planning to participate in fall hunts are urged to register for a course early in the year and before June 30. **The number of classes and independent study course field days available becomes limited because of a decrease in instructor availability close to and during the hunting season.** Individuals with disabilities may request reasonable accommodations or obtain additional information by contacting the Fish and Game State Hunter Education Coordinator's office, 600 S. Walnut St., Boise, ID 83707, phone 208-334-3746, or toll free at 1-866-285-1544 or through the Idaho Relay Service at 1-800-377-2529 (TDD) or email: [ron.fritz@idfg.idaho.gov](mailto:ron.fritz@idfg.idaho.gov).

**Your Social Security Number is Safe:** The 1998 Idaho Legislature required that all applicants for licenses issued by the state, including hunting or fishing licenses, tags and permits, must give their Social Security number for a license or permit to be issued. The Idaho Privacy Law protects your Social Security number. It is considered confidential, **will not** be printed on your license and **will not** be given to any private person or organization.

## Idaho Residency Requirements

A previous year's license is not proof of residency. Proof of residency is required to buy any resident license.

1. Drivers must present: Any person who is a driver must have a valid Idaho driver's license and must have been domiciled in the state of Idaho for the last six months prior to purchasing a resident license, tag or permit.

2. Non-drivers must present: An Idaho identification card issued by the Department of Transportation; or a combination of two documents bearing your name and address but not issued by yourself.

Examples include:

- Home utility bills for the previous six months.
- Rent receipts or mortgage statements for the previous six months.
- Notarized statement from an employer on business letterhead.
- Proof of voter registration dated six months prior.
- For a minor child under 18, identification from a parent.

3. Military members: A member of the military service of the United States or a foreign country, state national guard or Air National Guard, together with spouse and children under 18 years of age, residing in his/her household, who have been officially transferred, stationed, domiciled and on active duty in the state of Idaho for a period of 30 days last preceding application, as long as such assignment continues, is eligible to purchase a resident license.

To show eligibility you need: A current "Military Status and Residency Affidavit" signed by first sergeant, section commander or commander; or a current request and authorization for permanent change of station showing a 'report no later than' date within the last 60 days; or a combination of two documents given in number two (2) above dated thirty (30) days prior.

This is a summary of residency requirements, for additional details see Idaho Code 36-202(S) and 36-405; <http://www.legislature.idaho.gov/idstat/Title36/T36.htm> or contact your local fish and game officer. **Persons who do not qualify as residents must purchase a nonresident license.**

## Resident Lifetime License Certificates

Regardless of your age, purchase of a lifetime license could be the best investment you ever make. Lifetime combination hunting and fishing licenses authorize all privileges associated with a corresponding annual license. These licenses are valid for the lifetime of the license holder and are available to all Idaho residents. If a lifetime certificate holder moves out of Idaho, they will continue to receive an annual license, but they will have to pay nonresident tag and permit fees. The lifetime certificate does not include tags and permits. Lifetime certificates can be purchased at Idaho Fish and Game headquarters and regional offices only.
